

LAARO1

@ ISBA11

26th August 2025

Location: Aula 1, Department of Life Sciences and Systems Biology,
Via Accademia Albertina 13, 10123, Turin

Programme

8.45-9.00: Arrival

9.00-9.15: Welcoming

9.15-10.45: Morning session - Part 1

***Influence of the Ceramic Matrix on Lipid Retention and Extraction
from Archaeological Potteries***

Yaël Antonaros

***Characterization of the fish products lipidic signatures in ethnographic
pots for a better interpretation of archaeological remains***

Louise Martignac

Lipids, Lapita, and Lore

Mathieu Leclerc

***Evolving Lipid Evidence: Decoding Contributions of Aquatic Fat in Early Pottery
of the Southeastern United States***

Anne-Julie Bilodeau

***Flash Talk - Contents of early vessels in the eastern Gulf: organic
residue analysis of sixth-fifth millennia BC imported Mesopotamian
vessels in south-eastern Arabia***

Akshyeta Suryanarayan

ISBA

LAARØ1

26th August 2025

@ ISBA11

10.45-11.15: Break

11.15-12.45: Morning session - Part 2

Lifting the Lid on the Hebridean Neolithic: Using Organic Residue Analysis to Reconstruct Foodways in the Hebridean Social Landscape

Daniel Brown

Coastal or Continental Culture? The French Atlantic Coast during the End of the Neolithic Period

Camielsa Prévost

Dietary practices of a rural society in Western Germany under Rome: Lipid analysis of pottery covering major historical transitions (1st to 4th century CE)

George Janzen

From Organic to Ceramic Remains: The Biomolecular Signature of an Ancient Ferment

Tziona Ben-Gedalya

Flash Talk - 5 A Day: the role of plant substances in the ancient diet of Corsica during Protohistory.

Mailys Turini

Flash Talk - Evidence for intensified dairying at the Corded-Ware cultural horizon in Central and Northern Europe using lipid residue analysis and zooarchaeology

Lizzie Wright

12.45-14.15: Lunch break

LARRD1

26th August 2025

@ ISBA11

14.15-14.45: Introduction to Round Tables

The AROLDATABASE: ARchaeological Organic residues Literature Database

Camielsa Prévost

Animal Fat Database: Journey of mass data collection and quality control

Mélanie Roffet-Salque

14.45-15.45: Roundtables

*Guidelines for publishing lipid data
from an archaeological perspective*

*Guidelines for publishing lipid data
from a chemical perspective*

15.45-16.30: Discussions

16.30-17.00: Walk to ISBA registration

from 18.00: ISBA Welcome Cocktail
